The boat is normally available 20-25 minutes prior to the scheduled departure time for set-up and boarding. Should you wish additional time at the dock before or after your charter it can be purchased at the rate of \$50.00 for 30 minutes. Additionally you can extend the time underway cruising at a rate of \$150.00 for each additional 30 minutes. Unless additional dock time is purchased guests should plan to disembark the vessel upon return to the dock at the conclusion of the charter.

FOOD

For your convenience Hartford Belle has selected 3 quality caterers with whom we have had our charter clients work with previously. Optionally, you may hire your own caterer or bring your food for your event. We'd be happy to set up a table for you. The atmosphere on board is casual so we suggest food selections along that line. Our caterers know what works best.
